

The Insurance Act 2015 requires the “insured” to have made a **fair presentation** to “insurer” before a contract of insurance is entered into. As of 12 August 2016, the obligations of the insured change significantly. Policyholders and prospective policyholders are actively encouraged to ask their insurance broker for guidance on how to make a **fair presentation** and enquiry has to be conducted. This form may **assist** you in forming part of a **fair presentation** but it is **not** an exhaustive document and you **must** make every effort to fully investigate of your Senior Management all material circumstances that may be relevant to us.
