

Services under the AXA Management Liability Policy

Legal representation, advice and digital tools at no extra cost

rradar is AXA's exclusive legal services partner under its Management Liability Policy (MLP) and is a specialist litigation and commercial law firm that uses digital tools and legal expertise to proactively manage, advise and deliver business solutions to reduce legal risk. rradar combines professional legal representation and specialist advisory services to offer AXA MLP holders a unique service, at no extra cost.

As part of your policy, you have access to...

Comprehensive Legal Services

rradar's specialist Legal Services teams provide expert legal advice, support and representation to a diverse commercial client base across all industry sectors ranging from small owner-managed businesses to large multinational corporates.

Offering UK wide coverage, our Legal Services teams include lawyers with recognised experience and expertise in business crime and regulation, employment law, commercial disputes and corporate and commercial law.

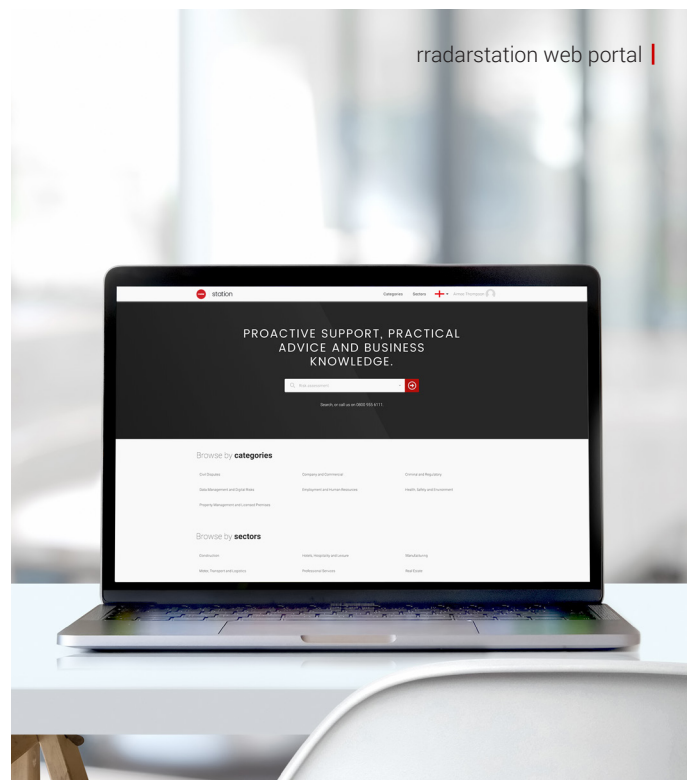

If a crisis arises, you can call our 24/7 crisis line and speak directly to our legal team who will advise on how to best work with the Police, Health and Safety Executive and all investigating and regulatory bodies.

rradarstation

If you have a legal question and need advice quickly, then rradarstation is your first port of call. Whether you require a contract template or examples of corporate letters, each written and verified by our legal professionals, you will find the answers you are looking for at rradarstation.

Written in simple everyday language, the online portal gives clients 24/7 access to guidance, videos answering frequent questions and downloadable templates to use in the day-to-day running of their business. Our solicitors are continually developing our library of guidance which covers major topics including employment law, health and safety regulations, tax, commercial contracts and corporate governance.

To complement our online rradarstation portal, we have a team of UK-based legal advisors, solicitors, and regulatory experts who are contactable via email or phone between 8am - 6pm, Monday to Friday.

rradargrace

rradargrace is our intelligent legal assistant for business and is linked to our rradarstation. Using predictive text and voice recognition, her answers to questions regarding organisations' legal queries can be delivered to your smartphone or other device, wherever you are, whenever you need them.

rradarreport

Our digital platform for prompt recording of near miss, minor and major incidents in your workplace. rradarreport is designed specifically to help businesses easily document, manage and respond to health and safety risks across their organisations.

rradargrace and rradarreport are available to download from the Google Play or App store. Simply login using your radar account details.
